Dear Chief Secretary.

This is in continuation of my DO No. 272/2/1/2020-Cab-NIC dated 25/03/2020 regarding social distancing in view of the COVID-19 and to utilize the Video/ Virtual Conferencing with the counterpart officers to interact and conduct meeting virtually for next three weeks during the lockdown period.

2. As you are aware, web based VC setup of NIC is also capable of conducting virtual meetings, webinars, interactions among officers and can be utilized optimally by Central Ministries/ Departments/ States/ UTs during this lockdown period. NIC had informed that NIC Web based VC supports any number of concurrent users for unlimited duration of the VC and can be connected even through Mobiles.

3. Invariably, every Ministry have NIC Cell headed by technical officers from NIC and other technical support staff. It is understood that during this critical period, NIC is constantly providing every technical support. The technical officers of NIC in each Ministry will be the nodal contact point for the technical support.

4. The Chief Secretaries of States and UTs may also advise use of the above facilities. The concerned SIO and VC Coordinator of the State/UT will be the nodal contact point for the technical support.

Best Regards,

Yours sincerely

Joy
