Dear Shri Singh,

The Ahmedabad Municipal Corporation (AMC) has started a good practice of providing/selling vegetable called **Vegetable on Wheels** so as to ensure that vegetables reach citizens at their door step. To make it a success the Self Help Groups were taken on board and after initial success, the initiative was scaled up and more loading rickshaws were introduced and an estimated 20% geographical areas i.e. approximately 48 wards have been covered by the AMC.

The Empowered Group, set up under the DMA 2005, for facilitating supply chain and logistics management for availability of necessary items, suggests that this good practice may be replicated in other parts of the country, wherever feasible. Details of the AMC initiative are also enclosed for your perusal.

With best wishes,

Yours sincerely,

encl. as above
