Dated at Ranchi the, 01.04.2020

Dear Sir,

I am writing to you to offer the services of the Department of Posts to deliver packets/parcels of dry rations/other essential commodities like medicines and cash at the doorsteps of individual beneficiaries during the lockdown period arising out of COVID-19. This has reference to Secretary, Dept of Post, New Delhi letter No Z-92011/25/2020-Coord. /O&M dated 25 .03.2020.

2. As you may be aware, through a network of 3784 Post Offices including 3513 in the rural areas and close to 6599 Postmen and Gramin Dak Sewaks (GDS), the Department provides similar delivery services across the state. More than 90% of the Post Offices are networked, and we deploy standard application software including core banking and insurance services. The Postmen and GDS have also been equipped with smart phones. The India Post Payments Bank (IPPB) which is a scheduled commercial bank, further enables inter-operable banking solutions including Aadhar enabled Payment Services (AePS) which makes it possible for the Postal Department to make withdrawals at the doorstep of account holders of other banks in the state. With a unified command and control and control structure, a single window can be provided at the State or District level to provide these services.

3. In this connection, I would also like to request you to instruct all concerned to provide the necessary support to the Postal Officials in carrying out their duties smoothly.

With regards.

Yours sincerely,

*(Signature)*

(Shashi Shalini Kujur)
