Dear Madam/Sir,

Bureau of Immigration (Boi) has already shared details of Indians having respective state/UT address in the passport and arrived India from any country via any Airport for the period from Feb.01, 2020 to March 23, 2020 with Chief Secretaries, Principal Secretaries of Health and IDSPs of all states and UTs. Boi has also shared records of foreigners who entered from any country based on their hotel/ place of stay address for the period Feb.01 to March 23, 2020 to all States/UTs. In addition, Boi has shared passengers (Indians & Foreigners) coming from the COVID affected countries (as notified by MH&FW from time to time) for the period Feb.01 to March 23, 2020.

Some of the States requested assistance of Bol in collecting mobile numbers/present place of stay for locating the passengers in the already shared list as some of them are not found staying in their passport address.

3. In order to assist States/UTs, Bol has collected additional information from various sources which is being shared as attachment in this mail. States/UTs may look into this and utilize this data, as required.
