2. Directors General of Police of all States/UTs
3. Commissioner of Police, Delhi

Madam/Sir,

In view of the extension of the lockdown period, there may be restlessness amongst people in certain areas. Special watch may be kept on law and order in your State/UT, especially at sensitive locations. There may be possibilities of rumour-mongering, including those relating to shortage of food and other essential services and commodities.

2. In this context, it is imperative that all State Governments and UT administrations take necessary steps to suitably publicise, through all available means, that food, medical and civil supplies and other essential services will be maintained and there are adequate supplies available in the country. Various measures be taken to counsel and convince people on the need to stay back where they are and wherever required in the relief camps set up by the States / UTs. It is requested that all district and field-level authorities may be advised to pay special attention to facilities for food, shelter and sanitation at various relief camps / shelters / institutional quarantine facilities etc. and also at food camps.

3. Further, it is requested to take all the required precautionary measures for maintenance of law and order, peace and public tranquility. Vigil may also be maintained against circulation of objectionable content on social media and action may swiftly be taken for their blocking / removal. Strict implementation of the lockdown measures may be ensured.
