Chief Secretary
Jharkhand, Ranchi

Dear Chief Secretary

As you are aware, Government has been giving a great deal of importance to the welfare of migrant labourers and stranded persons during the implementation of lock down measures for containment of COVID-19. Ministry of Home Affairs has issued detailed guidelines for ensuring safety, shelter and food security of migrant labourers. These need to be effectively implemented.

I urge you to direct all District Collectors to immediately undertake a review of the situation. They may appoint nodal officers, if not already appointed, for coordinating and monitoring the issues related to migrant labourers. In metropolitan areas, Municipal Commissioners may be assigned the responsibility of implementation of welfare measures. All districts may undertake a comprehensive enumeration of migrant labourers and stranded persons and make all necessary arrangements for providing food and shelter for them. Each relief camp should be under the charge of a senior officer. They may also enlist the support of civil society organisations and the network of mid-day meal facilities to provide food for all the stranded persons and migrant labourers during the period of lockdown. Psycho-social counselling may also be provided to such persons, as per guidelines issued by M/o Health & Family Welfare in this regard.

I would request you to kindly review the matter and ensure that the above measures are effectively implemented.

with regards

Yours sincerely,

(Rajiv Gauba)
