Sub: Partial resumption of Long Distance Mail/Express Trains
originating from/passing over the State of Jharkhand.

Only one train is running in Ranchi-New Delhi-Ranchi route at present which had commenced its service since 13/5/2020 after a complete lockdown of about 45 days. Owing to overwhelming response from the passengers and receipt of requests from all corners of the country to increase passenger services, Ministry of Railways have decided to introduce few more long distance Mail/Express trains from 1st June, 2020. MoH&FW has also issued an advisory regarding domestic air/rail/inter-state bus travel on 24.05.2020. The copy of the advisory is enclosed for ready reference.

In this connection, I would like to intimate that additional two pairs of trains would originate/terminate in Jharkhand whereas ten more pairs will pass over the State to different destinations of other states. The details of these trains are enclosed in the Annexure.

Excellent facilities were extended by the State administration while introducing Ranchi-New Delhi-Ranchi special train amid lockdown. I would request you to issue suitable instructions to all concerned (district administration, state police & GRP) for smooth operation of the trains to be introduced w.e.f. 01.06.2020 as well.

An early action is solicited.

Encl: as above.
